FALLS BACK ON CONTRACT WORK

CIVIC IMPROVEMENTS TOO FAR IN ARREARS

Council Decides That Some
Must Be Let Out if Ever
to Be Done.

The members of the city council showed last night that they are fully aware of the slow progress which is being made on street improvements, and the imperative necessity for rushing these on. It was decided that the city engineer shall make a report to the streets committee on Friday evening as to the work which he thinks should be done by contract, instead of of the present system of day labor by the city. The engineer is now empowered to secure what additional plant he needs for the speedier carrying on of whatever part of the work the city is to undertake.

The matter, which has been simmering for the past few meetings, came to a head by the reading of the following reports from City Engineer Topp and Leonard Pusey, superintendent of street maintenance. The engineer wrote:

"Gentlemen—I beg to call your attention to a report from the superintendent of maintenance, all of which is in accordance with my views. I might state it is useless for your honorable body to pass any more work of local improvement, particularly that which involves broken stone or macadam roadways, as will be seen by the above mentioned report. There is sufficient to keep the present plant in operation for several months to come."

"In the meantime, little or no maintenance of our main streets is being undertaken. If an attempt is made to push forward the new work by day labor, it will be impossible for Mr. Pusey to satisfactorily attend to repairs of roadways without entirely shutting down the new work about September."

"Taking all these points into consideration, I am of opinion that a large portion of the new work requested by the citizens will either have to be done by contract, or a considerable sum of money furnished by the council for the purchase of additional plant if done by day labor."

"If your honorable body cannot see its way clear to adopt either of these suggestions, there is no use of the citizens expecting the work carried out expeditiously without sufficient independent plant to conveniently handle the new work and maintenance."

More Plant, or Contract,

Mr. Pusey's report, referred to, was as follows.

"Dear Sir.—Your attention is drawn to the deadlock existing in the matter of providing crushed rock for the work passed by council. The amount required to finish these works is a little more than 25,000 cubic yards; in addition to this about 10,000 yards will be needed for maintenance, making a total of 35,000 yards.

"I anticipate little difficulty in completing the grading within a reasonable period, but it will be utterly impossible to produce sufficient broken rock to finish the work this year with the machinery we have, even if kept in constant use. As you are aware, the small crusher has been at the reservoir for weeks, and the large crusher has also been idle for six weeks owing to the hitch in the Cook street improvement.

"The work where tar-surfacing is ordered must be undertaken at once, even if other improvements have to wait, as this work can only be done during the dry weather. By the time it is finished the crushing plant will be required for re-surfacing old roads, leaving little time for making new streets.

"If it is desired to push construction of new streets, I suggest that the work be let by contract, which is bound to give the persons who have to pay the greater part of the cost better satisfaction than day labor can possibly do. It would also leave the city's staff a free hand to attend to the thoroughfares, a work that would benefit the whole community. I desire to impress upon you that it is useless to undertake any further work than is now

(Concluded on page 12.)

TRANSCONTINENTAL AUTO RACE.

St. Louis, June 8.—Two Fords, the Aene and Shawmut, entered in the New York to Seattle race, which left here last night, are expected to arrive at Kansas City Saturday.

The Italia is stuck in the mud near Litchfield, Ill., and early to-day it was reported that the drivers had been unable to move it. The Acme had a similar experience yesterday, but was finally freed and arrived here in time to join the other cars.

Albert Bellows and F. P. Whitmore, who are in charge of the stranded Italia, declared to-day that they intended to exert every effort to extricate the machine and re-enter the race.

WHEN WHISKY IS WHISKY.

Washington, D. C., June 8.—Lloyd W. Boyers, of the department of justice, to whom President Taft referred the interpretation of the pure food law with regard to whisky, has made his report.

Boyers holds that whisky is whisky if it is made from grain. If it is made from potatoes, apple peelings, corn stalks, chips or any other thing, the liquor derived is not whisky.

The president will allow the whisky makers to reply to Boyers' report before rendering a decision in the matter.

CONSTRUCTION CAMP BURNED.

Bush Fires Are Doing Considerable Damage in Ontario.

(Special to the Times.) Nepon, Ont., June 8.—Sherwood & Russell's construction camp on the National Transcontinental has been destroyed by fire which spread from a bush fire which is raging in that vicinity. The loss is estimated at several thousands of dollars. Bush fires are doing much damage.

FIRE IN HOTEL.

(Special to the Times.) Charlottetown, P. E. I., June 8.—Fire at the Queen's hotel here this morning damaged two rooms in the upper story. There were no fatalities.

NARROW ESCAPE FROM DEATH.

PASSENGERS OVERCOME BY AMMONIA FUMES.

Officers and Crew of Liner
Risk Lives in Rescue
Work.

(Times Leased Wire.) San Francisco, Cal., June 8.—Passengers aboard the Pacific mail steamer China, that arrived in port today, narrowly escaped a horrible death in mid-ocean yesterday when a valve in the vessel's ice plant burst, flooding the first class cabins with suffocating ammonia fumes.

A dozen women and children passengers were overcome by gas and were rescued with great difficulty by fellow passengers and members of the crew. Several passengers were confined to their staterooms as a result of the accident, until the steamer reached port to-day.

Mrs. C. R. Rosenstock, wife of a former editor of the Manila Bulletin, and her four children, were among the victims. One of the children was overcome by the fumes, as was Mrs. Rosenstock when she returned to the cabin to rescue her unconscious child. Both were carried to safety by officers of the ship. In her attempts to carry her child from the stateroom, Mrs. Rosenstock sustained a severe sprain of her right ankle.

J. R. Squires, senior member of the Manila firm of Squires and Bingham, who was accompanied by his family, displayed great presence of mind during the rescue work. Rushing to the cabins occupied by women and children, Squires made frantic efforts to open the port holes. He was overcome by the fumes and carried unconscious to the upper deck.

According to the statements of the passengers Capt. Freile and the other officers of the ship met the terrible situation with courage, and led the work of rescuing those who were unable to leave their staterooms.

"YELLOW CORD" FOR CHINESE STATESMAN.

Yuan Sha Kai Receives Grim Hint From the Emperor.

(Times Leased Wire.)

Pekin, June 8.—Yuan Sha Kai, one of the few colosses figures remaining after the era of Empress Tsu An and her renowned counsellor, Li Hung Chang, is reported to be awaiting at Honan, the grim "yellow cord," the imperial intimation that the recipient's death at his own hands would be most pleasing to the monarch.

Five officials, it is said, are bearing the symbol to the statesman, and it is further reported that they are commissioned to watch him and allow Yuan two months to obey. At the end of that time Chinese justice will take its course and the bearers of the cord will accomplish their mission as effectively in the present as they have in the past.

Yuan Sha Kai, enemy of the present Dowager Empress, is believed to have "lost face" because of friendship for Tang Shao Yai, who recently bore to America the imperial thanks for release of the Boxer indemnity due to the United States. Yuan and Tang were friendly to Prince Chang, who is dangerously ill, and who at present is unable to protect his friends from the enemies at court.

Portland's NEW MAYOR.

Jos. Simon, Former United States Senator for Oregon, Is Elected.

Portland, Ore., June 8.—Jos. Simon, Republican, and former United States Senator from Oregon, is mayor-elect of Portland. He was elected yesterday by a big plurality and a comfortable majority. The entire Republican ticket was successful.

FIREFMAN KILLED.

Struck By Falling Timber While Trying to Save Books at Fire.

Springfield, Ill., June 8.—One fireman was killed to-day in a fire which destroyed the plant of the Decatur Cereal company. He was struck by falling timber while trying to save the company's books.

**OTTO WEILER RETURNS
FROM PURCHASING TOUR**

Head of Local Firm Made Many Purchases in East.

Otto Weiler, of the firm of Weiler Brothers, the big furniture house of this city, has just returned from a business trip to New York and Eastern Canada. He says that while in the east he saw many things that were new, and he bought a good many. They will arrive in due season, some for the fall trade and others for Christmas. Some of the goods bought in the United States will come right at once.

In New York Mr. Weiler met representatives of the large European firms, where they have large showrooms. By visiting these he was able to get in touch with the latest goods just as well as if he went to London and Paris.

In Eastern Canada a quantity of the latest furniture was purchased. In this line, as in all others, Mr. Weiler found many things that were new and his purchases included all of these.

Speaking of his visit, Mr. Weiler said that it was necessary to visit the big centres now and then in order to keep in touch with the latest ideas. That was the chief reason for going. It was his idea, he said, to give his customers just as good, both in values and in styles, as could be bought anywhere on the continent. It was only by being in touch with the great centres, however, that he was able to do this. In New York he found things rather low, owing to the tariff revision making the merchants uneasy. They thought soon right itself, however.

WHEAT STRONG IN THE CHICAGO PIT

United States Government Crop Report Disappoints the Longs.

(Times Leased Wire.) Chicago, June 8.—The issuance of the government crop report to-day, while considered by some as a rather bullish showing, was rather disappointing to the longs, and this resulted in some serious selling measures, after the high point was reached, but outside of this the market was good and the closing bid higher. The gains ruled from 3-5c to 10 a bushel at the closing.

The market for wheat opened with a sharp advance with September the strongest feature and this condition was continued throughout the session with the exception of the decline after the start.

Liverpool started strong, 5-8d to 3-4d higher and closed 1-8d lower to 1-8d higher than yesterday.

A "Y" has been put in on Catherine street by the B. C. Electric Railway Co. to connect the Gorge and Esquimalt lines, chiefly to avoid having the travellers all being allowed to drop their routes for the week. Retailers who are not called upon this week as usual will therefore understand the reason for it.

This week is being observed at vacation week by the commercial travellers on the coast. Through the courtesy of the wholesale men the travellers are all being allowed to drop their routes for the week. Retailers who are not called upon this week as usual will therefore understand the reason for it.

RELIGIOUS BELIEFS OF A FATHER ARGUED

Two Societies Try to Secure Custody of Liberal Thinker's Child.

An appeal of an unusually interesting nature was argued in the full court this morning before Irving, Morrison and Clement, JJ. It involves the custody of the little daughter of the late William Howard of South Vancouver, at present in the care of the Children's Aid Society of Vancouver. A supplementary order was made by Stipendiary Magistrate Alexander, confirmed by Mr. Justice Martin on habeas corpus proceedings, transferring her to the care of the Children's Aid Society of the Church of the Holy Rosary, on the ground that it was of her religious persuasion. From this the society in whose care she still is, appeals.

The father was, as stated by one of the witnesses, the first court brought up as a Methodist but never became a member of any church; considered churches as being used for social and other purposes rather than for advancing Christianity but admitted the sincerity of some; believed in God and His ruling of affairs but was agnostic in regard to the orthodox conceptions of heaven and hell; favored any form of Protestantism rather than Catholicism. Other witnesses spoke of him as an unbeliever. The mother is a Roman Catholic but admitted she was not a very good one, not living near a church.

Sir Hibbert Tupper, K. C., for the appellant society, argued that there had been no jurisdiction in the magistrate to make his second order and therefore no basis for the decision of Mr. Justice Martin. In any case he held that the father must be considered as having been a Protestant and the child the same. A further point he made was that the societies, while one might be considered Protestant and the other Catholic, were both secular so far as the Children's Protection Act was concerned and no question of religion could be considered.

L. G. McPhillips, K. C., for the society connected with the Church of the Holy Rosary, argued that the child, whether baptized into the Roman Catholic church after the father's death or not, was so baptized with his consent. The father, he said, was an unbeliever and the mother's faith must be considered as that of the child. Their testimonies gave judgment in favor of the society of the Church of the Holy Rosary.

At a sitting of full court yesterday afternoon several judgments were read, all in mainland appeals. Rex vs. Song, Chong.—The court upon setting the Vancouver city by-law, prohibiting peddling before 10 a. m., and requiring the conviction of appellant, Irving and Morrison, JJ., found it an unjustifiable interference with the right of peddlers to sell when they liked and of householders to buy where they liked. The chief justice dissented, considering the by-law was a matter of regulation and not of prohibition.

Rex vs. Garvin—Irving and Morrison, JJ., quashed the conviction of appellant for having milk in his possession not up to the required standard, holding that the regulations were not sufficiently clear to warrant penal action. The chief justice dissented.

Mrs. Clara B. Jones vs. North Vancouver Copper Co.—Irving and Morrison, JJ., found appellant not entitled to a declaration that 240 shares of stock had been forfeited. The chief justice, in a lengthy judgment, held that the appellant was entitled to the order sought.

Re Assessment Act—The appeal of the Bank of Montreal against the government's construction of the act in regard to exemption of items written off was allowed. The chief justice wrote the unanimous decision of the court.

Re Grocer's Day At A.Y.P. EXPOSITION

Seattle Stores Will Be Closed To-morrow—Sports in Stadium.

(Times Leased Wire.)

Seattle, Wash., June 8.—For the first time the doors of the Hawaiian building at the exposition were thrown open to the public to-day. The exhibits were delayed owing to the late arrival of the United States transport Dix, on which they were shipped, but the Hawaiian commissioners have been working day and night to get their displays in order, and they were ready this morning to receive callers. A bevy of Hawaiian belles were in attendance to serve the frufts and delicacies of the islands to visitors.

To-day's quiet at the exposition will give place to bustle and excitement tomorrow when the grocers will have their day at the fair. Every grocery store in the city will be closed for the day and the providers of establies will themselves be eating and making merry at the exposition. Following the luncheon at noon to the national delegates of the Grocers' Association, there will be addresses and sports in the stadium all the afternoon.

The Catholic Order of Foresters will do their share toward making the day a busy one.

A reception to their new pastor, Rev. A. M. Miller, was given last evening by the congregation of the James Bay Methodist church in the auditorium of the church. There was a large audience present and all went home happy at the close. Mr. Lindsay occupied the chair while a good musical programme was given. An address of welcome was read by S. W. Bailey, to which the new pastor replied in a few well-chosen words. Short addresses were afterwards given by the Rev. T. W. Gladstone, of the Reformed Episcopal church, the Rev. T. E. Holling, of the Metropolitan Methodist church, and the Rev. A. E. Roberts, of the Victoria West Methodist church. Refreshments were served at the close.

MAIL SERVICE IN BRITISH COLUMBIA

Hon. W. Templeman Interviews
C. P. R. Official Regarding
Improvements.

(Special to the Times.) Ottawa, June 8.—Hon. W. Templeman had a conference this morning with the minister of trade and commerce, and with Mr. Creelman, representing the C. P. R., relative to improvement of the mail service in British Columbia, especially in the northern portion. Arrangements will be made for an improved service to Queen Charlotte Island and on the Stikine and Skeena rivers.

Mr. Templeman with Mr. Brock, acting director of mines, will make an official trip through northern British Columbia and to Dawson in August, investigating the needs and prospects of further development of the mining industries. Mr. Templeman leaves for Victoria at the end of this week.

BOARD OF TRADE
AND CIVIC AFFAIRS

Resolution Will Come Up Favoring Contract Work on Streets.

At a meeting of the council of the Board of Trade this morning the question of civic improvements was taken up. The meeting, in fact, was given over quite largely to a discussion of civic affairs, the members of the board expressing a desire to assist the council in every way in the matters now before the latter body.

After discussion, it was decided to submit the following resolution to the monthly meeting of the board on Thursday afternoon:

"Resolved, that, in the opinion of this board, it is most desirable that all works of local improvement for which appropriations have been made, should be completed without delay and the assistance of contractors should be obtained."

A letter was read from the Chief Commissioner of Lands and Works in which he intimated what was intended to be done with Vancouver Island this year in the way of opening it up. This consisted of the examination of sections surveyed some years ago near Alberni.

"Resolved, that, in the opinion of this board, it is most desirable that all works of local improvement for which appropriations have been made, should be completed without delay and the assistance of contractors should be obtained."

After discussion, it was decided to submit the following resolution to the monthly meeting of the board on Thursday afternoon:

"Resolved, that the referendum clause of the city charter as regards saloon or other like establishment, rests entirely with the city council and regularly designated licensing officers of the city.

FINE PLATED WARE

It isn't only the amount of silver deposited, but the way it is put on that counts. Our plated goods give such universal satisfaction because we pay for and get expert workmanship at every stage of manufacture, from the making of the blanks (which are of the finest nickel silver) to the final burnishing. It costs us a good deal more than inferior kinds of plate would, but we find it is worth while. It is far more economical for you to pay a fair price for table ware that will last a lifetime, than to buy cheaper ware that will have to be replaced in a few years.

Our three popular patterns:

LOUIS XIV, HELENA AND PURITAN

Make choice Wedding Gifts of $\frac{1}{2}$ doz. or doz. Spoons, Forks, etc., in neat silk-lined cases. Our name is stamped on every piece of this ware.

OAK BAY RATE IS STRUCK

COUNCIL DISCUSSES CONTRACT SYSTEM
Proposition Was Made to Have Municipality Enter Into Competition.

A total tax rate of one and a half mills was declared for the municipality of Oak Bay, at its regular general meeting last night. There was a general rate of ten mills or one per cent less one sixth rebate. This covers the cost of schools, roads and bridges, police, office and other expenses, a total of \$16,700. The assessment this year is made on the land only, the improvements being exempt. This it was thought by some would have the effect of raising the rate but it did not do so, the rate remaining the same as last year. A debt of one and a half mills covers the interest and sinking fund on five small loans which have been made for school and other purposes.

The present council while progressive and active have been careful with the funds. Had they not, it might have been necessary to raise the tax rate.

The contract system of doing local improvement work has many advocates in the Oak Bay municipality. There is a section of the council which advocates the calling of tenders for all work, allowing the engineer to put in a tender the municipality to do the work and the cost to the petitioners not to exceed the estimate of the engineer. A discussion along this line was precipitated by Councillor Newton, who introduced the following resolution:

"That in the event of petitioners for local improvement works petitioning or asking that such works in whole or in part should be done by contract. The council may call for tenders in the usual manner and at the same time instruct or authorize the municipal engineer to submit a competitive tender on behalf of the municipality.

"And if after opening the tenders such work is not given under contract, but carried out by the municipality the cost of same as assessed against the petitioner shall not be greater than the account of such municipal tender together with any legitimate extras that would be allowed under a contract."

"No, Sir, I oppose that," was the emphatic announcement of councillor Oliver after Councillor McGregor had seconded the motion. "By doing the work in this way the municipality would be entering the contract business without receiving any of the profits which might accrue. I object to doing business that way. If the cost exceeds the estimate the balance will have to be paid out of general revenue. I believe the whole burden of costs should fall on the property owners."

Reeve Henderson referred to the fact that the municipality had a rock crusher and roller, and that it would be economy to use the fine stuff for the sidewalk work. He advised either letting by contract or doing it by the municipality and not combining the two.

Councillor Colbert favored having the engineer put in a tender as he thought it would be a check on the contractor.

On the reeve pointing out that they should go into the whole matter thoroughly before passing the resolution, the mover consented to withdraw it and bring it up later at a meeting of the roads committee.

At a meeting of the committee previous to the regular meeting of the council the tenders for piping were let subject to the consent of the engineer on technical matters connected therewith. Names of the successful tenders were not announced. The pipe will be imported from England and is to be delivered by November 1st next. This will be used in the water distribution scheme, the money for which was recently voted by the ratepayers.

Clerk Floyd was granted leave of absence for a sufficient time to allow him to make a visit to England, leaving August 13th. This was on the understanding that the work of the municipality would be left in competent hands.

A number of petitions for local improvement work were read and all allowed to take the usual course. Among these was one for the grading and macadamizing of Foul Bay Road from Fairfield Road to the sea, the cost of which will be shared by the city. Another was for the building of Lawrence and St. James streets.

An inquiry was made in regard to the building permits. It being understood that some of the persons erecting buildings in the municipality had not taken out the necessary document. Councillor Newton asked if the constable saw that all these took out permits. Constable Steele said that all were arranging to take out the permits as required by law.

It was reported that no booths were now being allowed outside the race track grounds. This was in response to a request from the Country Club.

The matter of destroying the tent caterpillars was discussed, but it was decided that it was too late to do it this year, as the nests had been vacated.

Wickersham's bill was referred to the House committee on territories.

After a debate lasting three hours, the House passed the Porto Rican bill. The bill provides that whenever the Porto Rican legislature fails to pass an appropriation bill for the support of its government, the appropriation for the preceding year shall be renewed automatically.

Wickersham's bill was referred to the House committee on territories.

and the caterpillars were now seeking places in which to undergo their annual metamorphosis.

The meeting then adjourned.

There were present Reeve Henderson, Councillors Oliver, McGregor, Penner, Newton, Colvert, and Noble.

REVOLVER CAUSES

STIR IN COURT

One of Heney's Bodyguards Drops His Weapon Among Attorneys.

San Francisco, Cal., June 8.—At the conclusion of a conference held here yesterday between Governor Hay and the members of the legislative investigating committee, Chairman Allen said:

"The committee will go carefully over a preliminary draft of its report on the insurance department, prepared by Assistant Attorney-General Lee, and after agreeing on its form, will turn it over to Lee again to be typewritten.

The committee will go to Pullman and will get the completed report upon its return to Spokane and place it in the hand of the governor. It may be decided by the governor not to make the report public until the legislature convenes."

While on this side of the mountains the committee will visit the six state institutions in Eastern Washington to investigate charges of irregular conduct.

Governor's Statement.

"The Republican party must clean house in this state at once or the people will clean house for the party," declared Governor Hay yesterday in announcing that every department on which the slightest suspicion has been cast would be thoroughly investigated as the result of the special session of the legislature to be called June 23rd.

Governor Hay and the committee are working in harmony, and an upheaval will result in all the state branches unless the legislature refuses to appropriate funds for the general "house cleaning."

ENGINEER FALLS TO DEATH.

Goldfield, Nev., June 7.—Frank A. Lucy, superintendent of the Consolidated Mine Company, was killed this morning by falling 250 feet down the shaft of the Old Hell's workings. Lucy was one of the best known mining engineers in Nevada. He stepped on a rotten board near the mouth of the shaft and it gave way beneath his weight.

Ben Kendal, in thirty-eight years as postman at Hindlestone, Norfolk, England, has walked 192,000 miles in performance of his duties.

WHY THE DELAY?

Why the city council should hesitate to bring the question of the proposed agreement with the British Columbia

Electric Railway Company to an issue is something "no fellow can understand." The matter is of urgent importance to the company and to the citizens of Victoria. It is surely not so complex that months of study should be necessary to arrive at a thorough understanding of its various ramifications.

No matter what the decision of the board of aldermen may be, we understand that the final determination must be submitted to the ratepayers, consequently upon the latter must rest the ultimate responsibility. All the circumstances considered, such responsibility ought not to weigh heavily upon the conscience of the public, inasmuch as the fact is apparent that for a good many years to come the municipality cannot be in a position to undertake the task of supplying consumers within its boundaries with power for domestic consumption in any form. And, even should the city be in a position at a much earlier date than is at present anticipated to supply consumers with electric light and power, it would be wanton waste to attempt to duplicate the plant of the British Columbia Electric Railway Company. Under the circumstances, it appears to us, the thing to do is to cast aside all sentiment or prejudice and consider the situation from a practical standpoint.

In the meantime delay is hampering the business of the company and is postponing the day when the consumers of light and of power in the city shall have such conveniences at a much cheaper rate than is possible under existing conditions. The company has given a pledge that just as soon as the promised works are in operation a tariff corresponding with the rates charged in the neighboring city of Vancouver will be put in force here. So that the longer the delay the longer we shall continue to pay heavily for these services. Procrastination on the part of the council is costing the people a great deal of money. Then there is also the further fact to be taken into consideration that the extensions of the street railway system which are in view cannot be prosecuted. The mileage already in operation absorbs all the power available. That fact may be fully demonstrated before the present summer is over.

But the public may ask, and ask with reason, why it is if the facts in regard to the inability of the city to enter into competition with the company are as represented that the company does not proceed about the business of enlarging its facilities without asking any guarantee what better guarantee could it have than it possesses in the alleged fact? The answer

GREAT INTEREST TAKEN
IN FLOWER EXHIBITS

Many Beautiful Collections at
Duncan---Prize
Winners.

(Special Correspondence.)

Duncan, June 7.—Largely owing to the good work done by the ladies committee the flower department of the summer show under the auspices of the Cowichan Agricultural Association, was a decided success. The supper room of the Agricultural hall was used for the flowers, the long table down the centre being utilized for the collections of garden flowers and the centre, which was raised and used for the ferns, made an attractive background for the flowers. At one end were the decorated tables, and at the other side tables for wild flowers and pot plants.

As usual the table decorations attracted great interest and among the many tables the judges, Mrs. Saxton and Mrs. Burgess, had no small difficulty in making awards. The first prize went to a table decorated with the most perfect mauve clematis blossoms in low vases trained with golden ribbon and placed in a centre piece tinted in gold. The second table was very tastefully arranged in yellow and white.

A table very much admired was arranged by Mrs. Lindell, with rare combinations in delicate tints of gold and cerise. Another beautiful table was that decorated by Mrs. Elkington with double narcissi and beautiful deep blue blossoms and ferns. This artistic table had lost its entry card and was not judged with the others. Among the twelve tables entered there was not one that would not hold a high place in its artistic merits anywhere.

In any event, it is surely the duty of the council to permit the people to give expression to their opinion upon the subject.

From the tone of the Colonist's exceedingly odorous sporting pages we are led to the conclusion that the police of Victoria have not succeeded in "rounding up" all undesirable race track followers and running them out of town.

A "British Engineer" writes to the Times making serious allegations in regard to the manner in which the high level water works tank has been constructed. The matter is too grave to be dealt with in an anonymous communication to a newspaper. Our correspondent should lay his facts before the city council.

The representatives of the British government do not appear inclined to give the delegates to the press conference a great deal of encouragement in regard to the establishment of government-owned cables. Yet state cables would be merely an extension of the state system of telegraphs. The Imperial government operates the telegraphic system of Britain.

The discussions in the Imperial Press Conference have been most admirable in tone thus far, and the prospects are that results of far-reaching importance to the Empire will follow the result of its deliberations. The outline of Imperial policy given by the Foreign Secretary at the session this morning ought to have a good effect upon the temper alike of the people of Great Britain and of the people who seem to assume they have a cause of quarrel with us. The policy of Britain, Sir Edward Grey says, is to hold what she has and to develop it. She has no desire to extend her dominions. If such were the policy of all the nations of the world, surely all causes of war would be permanently removed.

THE JUNE BUSY MAN'S.

The jolly vacation period is again at hand. In accordance with the spirit of the season Busy Man's Magazine for June is a splendidly illustrated Outing Number. It is brimful of bright, breezy contributions on the timely subject of a holiday. "The Proper Way to Spend a Vacation," and "Suburban Life for City People" will be perused with much interest. Another clever sketch is on "Canada, the Summer Playground of America." Canadian articles of merit and instruction by crisp, enterprising writers are "The Illustrator of Dr. Drummond's Poems," "The New Era of the Intercolonial Railway" and "A Day with Canada's Premier." There are half a dozen short, snappy stories, and the best selections from the leading publications of the world on home and business interests, which make the June edition of Busy Man's a welcome summer guest. It is readable and diverting from cover to cover.

Darrell Standing, formerly with the Edmund Gardner Company here, was in Victoria to-day. He has taken the part of leading man at the Lois theatre in Seattle for the summer with T. Daniel Frawley. Mr. Standing says he intends to go on with a prosecution against the sheriff for his arrest a week ago.

LAID AT REST.

Funeral of Late Albert T. Briggs W. A. Largely Attended Yesterday.

The remains of the late Albert T. Briggs, who was the victim of the accident on Thursday last, were laid to rest in the Ross Bay cemetery yesterday afternoon. The funeral took place from the family residence 1608 Government at 2 o'clock. Dr. Campbell, who conducted the services, spoke on the high character of the deceased young man and gave words of comfort to the bereaved family and his numerous friends, who are shocked at his death. There was a large attendance of sympathizing friends of the young man, who was widely known throughout the city and a general favorite.

The thanks of the society are due to Mrs. Saxton, Mrs. Burgess, Mr. Erner, Skinner and to Mr. C. M. Lane, who kindly acted as judges. The complete list is:

Best bouquet of garden flowers—1. Mrs. Ashdown Green; 2. Mrs. E. G. Smith.

Best bouquet of wild flowers—1. Miss Edna Miller; 2. Miss Jessie Herd.

Best arained bowl of wild flowers—1. Mrs. R. Miller; 2. Mrs. and Harold Haycroft.

Best basket of cut flowers—1. Mrs. Le Neven and Mrs. Hamish Morton; 2. Miss Averill.

Best table decorations—1. Mrs. Dighton and Miss Miles; 2. Miss Margaret Duncan.

Best two pot plants—1. E. C. H. Lindell; 2. Mrs. Ashdown Green.

Best two foliage plants in pots—1. Mrs. Ventress.

Best collection of garden flowers—1. Mrs. Elkington; 2. Miss Skinner.

Best pansies, six colors—1. Mrs. Elkington; 2. F. H. Maitland-Douglas.

Best six roses shown in vase with own foliage—1. Mrs. E. G. Smith; 2. Mrs. Elkington.

Best ferns (five native varieties)—1. Mrs. Vaux; 2. Mrs. Ashdown Green.

Best fern specimen—1 and 2. Mrs. Hirsch.

Best fern specimen (native)—1. Mrs. Dighton and Miss Miles; 2. Master Willie Vaux.

Best collection of wild flowers by a boy or girl under 15 years—Miss Berry Macdonald.

ENJOYABLE CONCERT.

Entertainment Given by the Cedar Hill Dramatic Club.

Gordon Head, June 7.—The concert given under the auspices of the Cedar Hill Dramatic Club on Friday evening was very largely attended and every one present spent an enjoyable evening. After the programme, ice cream was served and dancing was indulged in by the young people until the early hours of Saturday morning. A number of visitors came from Victoria and the sur-

rounding districts and one and all expressed their approval of the enlargement of the hall. The programme was

as follows: Piano duet, Misses I. Carson and S. Miller; song, Miss S. Offerhaus; song, Percy Gray; recitation, Sam Pollock; song, Miss King; piano duet, Mrs. W. Moore and Miss Mabel Irvine; song, C. E. King; song, L. E. Gower; mandolin solo, with violin accompaniment, Miss Featherston; song, Miss L. Black; vocal duet, Miss I. Carson and M. Offerhaus; song, Fredy Dawson; song, A. W. McMorrain.

During the winter the residents of

Oaklands have held literary meetings every week. The members met at several homes and "As You Like It" and "The Merchant of Venice" have been under discussion. While the latter was being studied a gentleman who had lately visited Venice addressed the meeting and made it doubly interesting.

William Bradshaw has lately arrived from Montreal and will in future reside with his mother at Mt. Tolmie.

A gang of men has been at work on the road to Cordova Bay. It has been widened and graded in several places.

The Badge of Honesty

Is on every wrapper of Doctor Pierce's Golden Medical Discovery because a full list of ingredients composing it is printed there in plain English. More than forty years of experience has proven its superior worth as a blood-purifier and invigorating tonic for the cure of stomach disorders and all liver ills. It builds up the run-down system as no other tonic can in which alcohol is used. The active medicinal principles of native roots such as Golden Seal and Queen's root, Stone root and Mandrake root, Bloodroot and Black Cherry bark are extracted and preserved by the use of chemically pure, triple-refined glycerine.

Send to Dr. R. V. Pierce at Buffalo, N. Y., for free booklet which quotes extracts from well-recognized medical authorities such as Drs. Bartholow, King, Scudder, Coe, Ellingwood and a host of others, showing that these roots can be depended upon for their curative action in all weak states of the stomach, accompanied by indigestion or dyspepsia as well as in all bilious or liver complaints and in all "wasting diseases" where there is loss of flesh and gradual running down of the strength and system.

The "Golden Medical Discovery" makes rich, pure blood and so invigorates and regulates the stomach, liver and bowels, and through them, the whole system. Thus all skin affections, blisters, pimples and eruptions as well as scrofulous swellings and old open running sores or ulcers are cured and healed.

In treating old running sores, or ulcers, it is well to insure their healing to apply to them Dr. Pierce's All-Healing Salve. If your druggist don't happen to have this salve in stock, send fifty cents in postage stamps to Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y., and a large box of the "All-Healing Salve" will reach you by return post.

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic, medicine of KNOWN COMPOSITION, not even though the urgent dealer may thereby make a little bigger profit. Though he offers the substitute for a less price you can't afford to experiment with your health. Go where they give you what you ask for without argument.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

Why Do You Suffer the Agony of Corns AND BUNIONS

HIGH SCHOOL CADETS

UNDER INSPECTION

Major Bennett Compliments Members Upon Their Appearance.

A review of the High School Cadet corps was held yesterday afternoon at the High school grounds. Major Bennett, R. G. A., inspected the corps and expressed himself as fully satisfied with them. Their arms and accoutrements were in good condition and their marching pleased him.

One drawback the corps has is that they have no uniforms. They have to parade in plain clothes and it does not give them nearly so smart or soldierly an appearance as they would have if wearing a uniform.

The High School Cadets have done good work this year. They defeated the other corps in shooting competitions. In their skirmishing yesterday afternoon they showed great training and advanced as if they were ready to demolish a Germany army. There were sixty-six cadets under the command of Captain Hartman.

Major Bennett presented the prizes for efficiency and the best shots.

For efficiency V. Stevens was first and received an excellent book, presented by the provincial government. V. Westcott was second. For the best shots D. McDougall was first with 100 points out of 120, and B. Shipland was second with 98 points.

A meeting of the Victoria Musical Society will be held to-morrow evening in the cardroom of the Empress hotel. All members are invited to be present.

The Ladies' Aid of the First Congregational church will meet to-morrow afternoon at 3 o'clock at the home of Mrs. Braille, Elford street. As business of importance is to be discussed the president desires a full attendance.

The marriage of Mr. Albert W. Ward, youngest son of Mr. Hawton, corner Pandora and Cook street, and Miss Grace E. Savage, only daughter of Mrs. R. W. Savage, View street, will be solemnized in St. John's church to-morrow afternoon at 3:30 p.m. A reception will be held from 8 to 10 at the home of the bride.

The regular monthly meeting of the Victoria Hive, Knights of the Macabees, will be held to-morrow evening at 8 o'clock in the K. of P. hall, Douglas street. It is expected that Deputy Organizer C. O. Trustor, of Alberni, will be present to meet the members. All members are requested to be present as business of importance will be transacted.

The second match of the Canadian Rifle League, cadet series, was fired off at Clover Point on Saturday morning by the cadet corps of the University school. Good scores were made at the 200 and 500 yard ranges. The highest score was made by Corporal Bell-Irving, with a score of 49. The average age of the team is 15½ years.

Belgium has a special Sunday postage stamp, the use of which indicates that the letter bearing it is not to be delivered on Sunday.

HAWKING MACHINES.

Catarrh Sufferers Are Nothing But Hawking, Spitting and Blowing Machines, Says an Authority.

It is possible that in these days when cleanliness and sanitary reform is being preached in the churches, schools and at public gatherings, that thousands of people will continue to suffer from catarrh when there is an absolutely certain remedy always on-hand.

Hyomei (pronounced Hig-o-me) is a pleasant, medicated and antiseptic air. Breathe it in and it will cure catarrh. It will stop foul breath, watery eyes and crusts in the nose in a few days.

Mrs. H. W. Wilson, of Johnson street, Wallaceburg, Ont., says: "Yes, we are great friends to Hyomei for the reason that Mr. Wilson has had catarrh for several years and tried several remedies and doctors, but nothing has relieved the trouble like Hyomei. His trouble is from pains across the eyes and a burning or huskiness in his throat. Sometimes much difficulty in breathing, the glands in his eyes and nose swollen and the disease made him literally sick all over. He cannot say enough in praise of Hyomei, and there is nothing that can give better relief to catarrh than this remedy, which we heartily recommend."

A complete Hyomei outfit, consisting of a strong, hard rubber pocket inhaler and a bottle of Hyomei, costs only \$1. and extra bottle, if afterwards needed, costs only 50 cents each. D. E. Campbell sells it and guarantees it to do exactly as advertised.

Hyomei also cures Asthma, Bronchitis, Coughs, Cold and Infant's Croup. C-1

The Children's Aid Society will meet to-morrow afternoon at 5 o'clock at the city hall. The public is invited to attend.

Sheriff J. W. McCool and Deputy Sheriff W. J. Hall, of Perry county, Washington, arrived here yesterday afternoon for the purpose of taking Charles Phillips, alias Charles Benton, back to Republic, Wash., where he will be charged with the murder of Rawl Siebert, whom he is alleged to have shot on July 25th last year. Phillips was arrested at Quesnel on May 27th by Provincial Constable Anderson and he will reach Victoria to-morrow night. He is alleged to have committed two murders and to have evaded arrest for over a year. If he declines to go back to the United States he will be extradited. The accused man is a half breed, well educated, but said to be dissolute and of a revengeful disposition.

SARATOGA AVENUE

PLAN OF SARATOGA SUB-DIVISION.

SECOND DAY
AT RACE COURSECOUNTRY CLUB IS
WELL SATISFIED

Favorite Throws Jockey in Seven Furlong Event.

The Country Club officials are well satisfied with yesterday's attendance at the race meeting. Yesterday was held to be the test, and the crowd exceeded the estimates made by the officials of what could be expected. The attendance was purely local with the exception of perhaps a hundred. The Seattle and Vancouver people have as yet not begun to come in numbers, and the support given by Victoria shows the appreciation of the local sporting public of the club's efforts. The club spent \$20,000 in bringing the horses here and making the improvements at the track before the gates were open to the public, and the directors are gratified to see that Victoria will appreciate the meeting.

The hot favorite and horse that carried most money yesterday was Emma G. in the seven furlongs. The lady threw Alarie at the barrier, however, and circled the track rideless, leaving it up to Adena, second favorite, to make good. There were five horses, however, in front of Adena at the finish, and Silver Wedding, backed heavily for a place, was two behind the money. The first three, Fredonia closing 2 to 1, Josie S. 6 to 1 and Maud McG. 15 to 1, held the front all the way. Fredonia from third taking the position, rounding the last turn and winning a length and a half. Josie had just a length to spare from Maud McG., which left six lengths between herself and the fourth.

Roy Junior opened the day with a win in the six furlongs, getting away third and passing the leader Liddington at the half mile held the position a length ahead to the wire. There was nothing else in the ride.

Fire got away second in the two year old event, and was fourth at the three-quarters. The horse made a great run for the last furlong getting to the post a length and a half ahead, after running wide half the distance. Mason and Electrowan occupied the positions.

Millsong, a 4 to 5 favorite, took the position at the quarter in the mile, and went all the way round, finishing two seconds later than Mowring over the same distance Saturday. Mitre came up from fifth to second at the quarter and obtained second money. Little Minister made a race of it for third place, after getting off sixth, took away third position from Alabades in the straight and won by a head.

Titus was a hot favorite for five furlongs, and was beaten in the last two furlongs for the position of Zelina,

Another "Sunshine" Feature

The Gas Ring

This is an entirely new idea, and will especially interest people who reside in natural gas districts. The gas ring takes the place of the lower Sunshine fire-pot, thus making it possible to burn gas in your furnace without inconvenience. Such is not possible in a furnace where the ordinary gas log is inserted; for, should the gas give out, a coal or wood fire could not be started until the gas pipes were disconnected.

To provide against sweating in the summer time, Sunshine Furnace is equipped with a nickel steel radiator and dome. All bolts and rivets are nickel plated, all rods copper-plated. This special treatment, besides meaning quicker and greater radiation from the radiator and dome than cold chill iron could possibly give, acts as protection for the bolts, rivets and rods from inroads of gas. When cast iron comes in contact with our nickel steel it is coated with our special Anti-Rust treatment, which prevents the slightest possibility of rust commencing anywhere in Sunshine Furnace.

McClary's

FOR SALE BY H. GOOLEY & SON, VICTORIA, B.C.

"I Am Recommending My Friends to Buy Those Lots."

So said a wealthy citizen of Oak Bay yesterday, speaking to us over the telephone regarding the Saratoga Subdivision. This man lives within five minutes' walk of the property and knows, as he remarked to us, that "there is nothing in Oak Bay to touch it for value."

When you consider that for lots in this locality, of the same size and farther from the carline, from \$500 to \$600 each is being asked, you cannot wonder at our "feeling chesty" over our prices. Why, before we bought this property, less than ten days ago, we actually had lots on it listed at \$600 each. Now we are selling at each \$350, \$375, \$400, \$425 and \$450, quarter cash, bal. in 6, 12, 18 mos.

Sixth race—Six furlongs. Purse.

Three-year-olds. Value to first \$150.

Horse and Jockey. Op. Cl. Ocean Queen, 4-5 looked a beaten horse in the six furlongs when passing the half-mile post behind Father Stanford and Listowel. A turn of speed at the finish, however, brought the mare a length to the front, making the track record 1:15 1-6. The horse had plenty left at the wire, second and third were driving. The accident to Emma G., the defeat of Titus and the downfall of two other favorites made a list of four heavily backed horses who did not get there. The books picked up considerably of Saturday's losings. The starts were again good, Weber getting all his fields away in good time. For the half mile the horses went at the first try from the barrier in front of the stand, and Weber was awarded an ovation by the crowd.

The following is the summary of the races, the horses being given in the order of their finish with jockeys and betting:

How to Buy

Prince Rupert Lots

Thousands want Prince Rupert lots, but very few can personally inspect the townsite.

Properties will be made out of Prince Rupert property, but the prices will fall only to those who buy wisely.

There ARE only two WISE ways to buy Prince Rupert property.

(1) PERSONAL INSPECTION of the property.

(2) Through RELIABLE REPRESENTATIVES who know the ground.

In anticipation of this sale we have resided in Prince Rupert since June, 1909.

We have examined every foot of the property and have charted it topographically. We know exactly where the hills, gullies, depressions are, where the good building sites and desirable residential sections are located.

We are acting for a number of shrewd investors.

WE WILL ACT FOR YOU

We will furnish expert advice on specific location.

Says the Monetary Times: "The buyers must look to their own interests, the investor who buys Prince Rupert lots at Vancouver without having seen the goods is making a more or less bold speculation."

Mr. George D. White and Mr. W. C. Dibblee of the White Companies, may be found at Hotel Vancouver or at the place of sale from May 23rd to 29th inclusive. In the interest we may be reached by correspondence at Prince Rupert.

References: Canadian Bank of Commerce, Prince Rupert; Union Bank of Canada, Prince Rupert. Send for free copy of the Prince Rupert Investor.

READ THE TIMES

PILES FOR FOUR YEARS

Only those who suffer from Piles know the agony, the burning, throbbing, shooting, stabbing pains which the innocent causes, and the way it mocks the sufferer's life.

Zam-Buk is blessed by thousands who used to suffer from piles, but when it has cured. One such grateful person is Mrs. Elizabeth Taylor, of Greenwood Avenue, Toronto. She says: "For four long years I suffered acutely from bleeding piles. During that time I spent an immense amount of money on 'remedies' and doctor's prescriptions but got no ease. Zam-Buk was different to everything else I had tried, and it cured me. I am grateful for the cure, and as I have never had piles once since, I know the cure is permanent."

Another thankful woman is Mrs. E. A. Gardner, of Catafina, Trinity Bay. She says: "In my case Zam-Buk effected a wonderful cure. For twelve months I had been troubled with blind, bleeding, and protruding piles. I had been using various kinds of ointments, etc., but never came across anything to do me good until I tried Zam-Buk, which cured me. That this may be the means of helping some suffers from piles to try Zam-Buk, is the wish of one who has found great relief."

Zam-Buk is a purely herbal balm and should be in every home. Cures cuts, burns, blisters, eczema, ulcers, skin, blood-poisoning, pruritis, sunburn, blisters, etc. for summer sores, and all diseases and injuries of the skin, etc. All druggists and stores at 50¢ box, or from Zam-Buk Co., Toronto, for price,

all used up

Miss Ella Wood, of Brainerd, Minnesota, says: "I have taken PSYCHINE for my present health and could hardly drag myself across the floor. I don't even sweep the carpet. If I went for a drive I had to lie down when I came back; if I went for a walk I would struggle to church. 10 rods from my house there is a large sign reading 'all used up'. If you can't afford to pay for PSYCHINE, knowing it was excellent for decline or weakness, I trust the results are wonderful and people remarked my improvement."

girl. I am to go to jail for life, ready for a sketchy match, or an evening party with anyone, and a few months ago I could not struggle to church. 10 rods from my house there is a large sign reading 'all used up'.

"All used up" and run down you can be built up in a short time by PSYCHINE. It creates rich, red blood, revives the appetite and strengthens the weak into strong healthy beings.

"I am a widow, Mrs. M. M. Stevenson, 58, Spadina Ave., Toronto, for a FREE SAMPLE of the greatest of Tonics, PSYCHINE, today. Sold by all Druggists and stores, 50¢ and \$1.

PRONOUNCED

Best Natural Laxative Water

This standard and popular aperient water is the best remedy for indigestion and irregularities of the bowels and stomach. It is well and favorably known that it needs no introduction—that it has been used so long and so extensively as its best recommendation. It acts quickly and surely, but with gentleness, and leaves no unpleasant or bad after effects. Try it yourself when you suffer from constipation.

VICTORIA WATER WORKS

Attention is called to Section 31 of the "Water By-Law, 1909," which provides that "No person shall sprinkle, or use in any manner whatsoever, the water supplied by the City upon lawns, gardens or lawns between the hours of 5 and 9 o'clock in the morning, and the hours of 5 and 10 o'clock in the evening." The penalty for the infraction of this regulation is a fine of \$1.00, and the water may be turned off without notice.

JAS. L. RAYMUR,
Water Commissioner.
City Hall, Victoria, B. C., May 22nd, 1909.

Nat Goodwin at the Victoria theatre pleased the large audience which gathered last evening. Edna Goodrich, while not the strongest character as an actress, had a very taking stage presence. Mr. Goodwin closes his present tour on June 26th, when he takes the lead in a company to play during the summer at St. Louis.

THAT OLD WINTER COUGH
The Cough Syrup You've Taken Has
Sickened But Not Cured
You.

You'll Never Be Well Till You Heal the
Lungs With "Catarhizone."

Nothing pulls down strength, makes you wretched, miserable and despondent like a chronic cough. The old-fashioned liquid mixtures slip down the throat, enter the stomach and do little else but ruin digestion.

Catarhizone is the only breathable cold, catarrh and cough medicine. Instead of taking droggy drugs, chloral, morphine and opium mixtures, you simply inhale the richest pine balsams, breathe into your lungs the healing, soothing vapor of a scientific remedy that commands the admiration of all good physicians.

The extraordinary efficacy of Catarhizone is without a parallel. A sneezing cold is cured in ten minutes, a harsh cough is eased in an hour, the most offensive catarrh is thoroughly drawn from the system. In case of asthma and bronchitis the relief and certain cure that comes from the healing balsamic extracts in Catarhizone is simply wonderful.

"For more than twenty years I suffered with a cough, bronchitis, asthma and nasal catarrh," writes J. E. Fenwick, of Staunton, P. O. "Every attack had seemed to grow worse, and I could hardly breathe on account of an accumulation of phlegm in the nose and throat. One day I tried Catarhizone and in ten minutes was wonderfully relieved. I could breathe freely and naturally through the nose, and blood spitting was stopped—the phlegm was cleared away and my regular breathing restored. No remedy can do more than Catarhizone."

There is no remedy so certain and safe as Catarhizone, but before a good remedy it is imitated. Beware of the substitute. Large Catarhizone lasts two months, price \$1.00. Smaller sizes 25c and 50c. All reliable dealers or the Catarhizone Co., Kingston, Ont.

TO-MORROW'S RACE ENTRIES.

The entries for to-morrow's races at the Willows track are as follows:

1st race—4½ furlongs; purse: 2 year olds;

NEW LAUNCHES HERE FROM VANCOUVER

Mab and Ethelda Both Fine Boats and Much Admired Locally.

The fine new launch which was built for Frank S. Barnard at Vancouver ship yard was brought from the Terminal city a few days ago and now lies moored off the yacht club building. She is a fine looking boat and is a decided credit to the local fleet. She has been christened the Mab, and is certainly a queen among local craft.

The Ariane, formerly owned by Mr. Barnard, and which was recently sold to S. W. Hudson, has been taken to Vancouver, from which place she is taking a party of timber men to look at some of their northern limits.

Two days ago Dr. Baker's Ethelda brought her owner and party over from Vancouver to attend the races. While she was moored in the inner harbor she was much admired.

QUADRA WILL LEAVE SOON WITH SUPPLIES

Estevan Point Tower to Be Erected—Lighthouse for Triangle

Steamer Quadra is coming off the ways at Esquimalt today and as soon as she is ready will leave for Carmanah with a quantity of lumber and other supplies for the new fog alarm building at that point. The machinery has not yet arrived from the East but as soon as it comes it will be forwarded to its destination with dispatch.

H. C. Killeen the resident engineer is leaving on a trip up the West coast in the prosecution of his regular duties. He will look after the erection of the reinforced concrete tower at Estevan Point. This tower is to be 100 feet high, and will be a permanent structure such as is required at so prominent a point.

From Estevan the engineer goes to Triangle Island where the survey for the new lighthouses will be completed. It will be placed on the highest point of the island 600 feet above the sea, and will be a splendid mark for ships passing north or south. The necessary lightkeeper's house and other buildings will be all erected in the near future. Triangle Island is forty miles from Cape Scott and is an unique position for a lighthouse.

Father north the work on the Lawyer island tower and the repair work at Ivory Island is still proceeding.

SHIPPING REPORT

By Dominion Wireless.

Cape Lazo, June 8, 8 a.m.—Clear; wind N.W.; bar, 30.06; temp, 58; sea moderate.

Point Grey, June 8, 8 a.m.—Clear; wind E. 8 miles; bar, 30.10; temp, 64; passed in, schooner Albert at 6.40 a.m.; out, steamer Geo. W. Fenwick at 7.50.

Estevan, June 8, 8 a.m.—Clear; wind, 20.09; temp, 55; steamer Tasmanian north bound for Nootka at 6 a.m.

Tattoosh, June 8, noon.—Clear; wind S. W. 8 miles; bar, 30.11; temp, 57; sea smooth.

Pachena, June 8, noon.—Clear; wind S.E. bar, 30.03; temp, 60; sea smooth.

PLEADS NOT GUILTY.

Olympia, Wash., June 7.—When arraigned to-day upon the charge of embezzling funds belonging to the military department of the state, former Adjutant-General Ortiz Hamilton pleaded not guilty. The date for the trial was not announced.

The police are making diligent arrests. When arrested, he was still carrying his hatchet or tomahawk with him. He will be tried at the Supreme court here.

WARTS DISFIGURE THE HANDS

Nothing pulls down strength, makes you wretched, miserable and despondent like a chronic cough. The old-fashioned liquid mixtures slip down the throat, enter the stomach and do little else but ruin digestion.

Catarhizone is the only breathable cold, catarrh and cough medicine. Instead of taking droggy drugs, chloral, morphine and opium mixtures, you simply inhale the richest pine balsams, breathe into your lungs the healing, soothing vapor of a scientific remedy that commands the admiration of all good physicians.

The extraordinary efficacy of Catarhizone is without a parallel. A sneezing cold is cured in ten minutes, a harsh cough is eased in an hour, the most offensive catarrh is thoroughly drawn from the system. In case of asthma and bronchitis the relief and certain cure that comes from the healing balsamic extracts in Catarhizone is simply wonderful.

"For more than twenty years I suffered with a cough, bronchitis, asthma and nasal catarrh," writes J. E. Fenwick, of Staunton, P. O. "Every attack had seemed to grow worse, and I could hardly breathe on account of an accumulation of phlegm in the nose and throat. One day I tried Catarhizone and in ten minutes was wonderfully relieved. I could breathe freely and naturally through the nose, and blood spitting was stopped—the phlegm was cleared away and my regular breathing restored. No remedy can do more than Catarhizone."

Steamer Thor arrived at Nanaimo yesterday in ballast from San Francisco. She will load another cargo of coal for the same place.

Canada's Famous Men and Women Gladly Testify to the Great Value of "Fruit-a-tives."

Hon. Senator Costigan (member of the Cabinets of five Premiers of Canada), says:—"Fruit-a-tives is the only medicine I ever took that did me any good for Constipation."

Mr. J. R. Flock (widow of one of the most prominent physicians in London), writes:—"I was a constant martyr to Stomach Weakness all my life and no physician could cure me, but Fruit-a-tives gave me entire relief and I strongly recommend this medicine."

Mr. James Dingwall (Superintendent of St. Andrew's Sunday School in Williamsburg, Ont., for nine years) states:

"I am now over eighty years old, and I can strongly recommend Fruit-a-tives for Bladder and Kidney Trouble and Chronic Constipation."

Mr. H. Marchesseau (High Constable of Quebec), testifies:—"I suffered for 10 years with Severe Pain in the Back. Nothing did me any good until I tried Fruit-a-tives."

Mr. W. J. McComb (the leading merchant of Trenton, Ont.), writes:—"I was a martyr to Headaches—consulted doctors—wore glasses—without the slightest relief. Then I took Fruit-a-tives and this remedy cured me."

This is the kind of evidence that convinces. Dealers everywhere have "Fruit-a-tives" 50c. a box, 6 for \$2.50, or retail box, 25c. Sent postpaid on receipt of price. Fruit-a-tives Limited, Ottawa.

PRICES OF SALMON ON FRASER RIVER

Fishermen Will Seek a Conference With Canners Before Run Starts.

New Westminster, June 7.—The Fraser river fishermen will seek a conference with the cannery men as to the price to be fixed for sock-eye and other salmon in the coming run. The B. C. Fishermen's union reached that decision on Saturday afternoon at a meeting in this city, the proceedings being private, under T. Weldon's presidency. The price asked will not be stated till the interview has taken place.

A protest was registered against the double license system, the men objecting strongly to the provincial government's charge—but do not find the other license—so irksome. They also complain about the patron system, which is termed a persecution.

The cannery men nearly all be working full time, but the bulk of the fishermen agree that 1909 will not be exactly a record year, even if the run is a quadrennial one.

SHIPPING AGENT PROMOTED.

Seattle, Wash., June 8.—H. B. Zimmerman, for two years agent at Vancouver, B. C., for the International Steamship Co., has been promoted and appointed manager of the excursion department for this company and the allied steamship corporations, including the Puget Sound Navigation, Straits Steamship and Inland Navigation companies. His headquarters will be in Seattle. His duties will be to arrange outings on the water for visitors and others desiring steamers for any point on Puget Sound.

Leo A. Miller, chief clerk for the same companies, has been promoted to the position of general freight and passenger agent.

Clothes for Young Men

Young Men—

Have voted Fit-Reform the store for natty clothes. We pay special attention to the wants of young men and always have "just the suit."

Our young men's Suits have a pedigree. They come from makers that "know how." The twists and turns of fashion are all honored—the fabrics are smart and the suits are dashing—distinctive and different.

PRICES MODERATE
\$15.00, \$18.00, \$20.00, TO \$35.00

But! how much figure does the figure on a swell suit cut until you see the suit to tell the story? We're always pleased to show young men "just looking."

SOCIAL AND PERSONAL

Mrs. Leslie Clay is receiving this afternoon.

Mr. and Mrs. E. J. Burnham of Nanaimo, are in town.

Mr. W. H. Ireland of Summerland, B.C., is in town.

Miss Cessford left last night en route to Harvey, B.C.

Chas A. Evans of Portage la Prairie, Man., is sightseeing in town.

Mrs. N. M. Spencer of Buffalo, N.Y., is the guest of friends in town.

Mrs. J. B. Browning, Vancouver, was the week-end guest of Mrs. Regan.

Among our local visitors are Mr. and Mrs. Frank H. Price of Duncan.

Mrs. A. W. Jones was the hostess of a very smart dinner party last evening.

Miss Florence Bradbury of Boston, Mass., is among the latest arrivals in town.

Miss Ellen E. Goodeye, of Guelph, Ont., is doing the sights of Victoria at present.

A party from Philadelphia includes Mrs. H. D. Johnson and Mrs. J. A. Goodnow.

Mr. J. Merrifield of Tacoma, Wash., is visiting in town and renewing old friendships.

Miss K. Stewart and Mrs. A. Roberts of Vancouver, were the week-end guests of friends in town.

Miss M. G. Robinson of Savannas, is listed among our visitors from the interior of the province.

Mrs. Dr. Sterling is entertaining a few little people this afternoon at her home on Terrace avenue.

Miss Laura M. Elliott of Toronto, and Miss L. Helen Yorke of Napane, Ont., are holidaying here together.

Wm. Burnett of Alameda, Cal., was in town on Saturday in company with Mrs. E. Burnett of Goldstream.

Mr. Thornton Fell left this afternoon en route for New York. He will sail for England on the Mauretania and will visit Scotland before returning.

Mr. D. George McCurdy left last night by the Tees on a holiday trip to Nootka. Mr. McCurdy is the popular teller of the Imperial bank.

Mrs. James A. Hynes of Saint Ste. Marie, Mich., is sightseeing here in company with Miss Julia E. Murphy and Miss Kathleen Murphy of Denver.

J. G. Anderson, of North Pender street, who has been attending McGill University for the past couple of years, is spending a pleasant vacation in Victoria.

Miss E. M. House left yesterday en route for Montreal, whence she will sail by the Dominion line for Liverpool. She expects to be absent three months.

Rev. W. Leslie Clay is enjoying a visit from his sister, Miss Clay, of Summerside, Prince Edward Island. Miss Clay will make an extended stay in town.

Mrs. F. J. Fulton will be at home on Thursdays after June 17th during the summer months at the residence of Mrs. Walter Langley, which Hon. F. J. Fulton has taken for the summer.

Mr. and Mrs. Otto Weiler arrived home on Saturday after an extended visit in eastern cities. They made the trip by the C. P. R., spending a week at Harrison Hot Springs before coming to Victoria.

Miss Margaret E. Carpenter of Orville, Cal., and Miss A. Merick of Sacramento, who are touring the Sound cities together, are spending some days very pleasantly sightseeing in and around Victoria.

Among our southern visitors are Mr. and Mrs. Frank Powers and Miss Stella Powers, Miss Tansing and Miss Rosa Tansing, of San Francisco, all of whom arrived at the Empress yesterday and will remain some time.

Mr. Musgrave, Dallas road, is entertaining Mr. E. Trench, who has recently arrived in town from the old country. Mr. Trench will leave shortly for Salt Spring Island, where he will be joined by his brother, Mr. C. N. Trench.

CHALLONER AND MITCHELL

1017-19-21 GOVT. STREET

street, was the hostess of a very charming children's party yesterday afternoon, in honor of her own little girl's second birthday. The little tots enjoyed themselves immensely with merry games on the lawn in company with their little hostess, Mary Mabel. Later, dainty refreshments were served in the cool dining room, which was gay with broom and marguerites, while on the round polished dining table a large cut glass bowl of old-fashioned pink roses were very much admired. The position of assistant matron has been filled in the person of Miss Robison, who has had some experience in similar work in England.

The home has received its spring cleaning. Seven rooms, including the large and small kitchen, have been kalsomined and the white interior presents a bright and cheerful appearance. We would suggest that the entrance door be given a coat of paint as it is in a very shabby condition.

We were shown a pile of boys' clothing patched and repaired for play hour use, and were told that with a little outside help the girls' wardrobe were put in a satisfactory condition. One in visiting the different departments of the home can appreciate in a degree how much planning and thought, as well as actual work, this all entails on our worthy matron who manages inside and outside details so ably. We inspected the dormitory and noticed the need of new blinds on some of the windows; also many bare spaces on the floors where a rug or an end of carpet could be utilized.

The different costumes worn by Miss Edna Goodrich, as Grace Morton, in "The Easterner," presented at the Victoria theatre last night, were very much admired by the feminine portion of the audience and a very swagger black hat of the largest and most pronounced type, also received its share of praise. That it formed a frame for an exceptionally pretty face may of course have had something to do with it. In the first scene Miss Goodrich appeared in a smartly tailored tampe grey costume, the coat and skirt being formed of different materials. With this she wore the black hat previously referred to. In the second act she wore a tight fitting black silk princess gown, draped with rich black silk lace in Spanish fashion. In the final act a long, tight-fitting travelling coat of natural colored rajah silk with touches of black was worn with the black hat. Miss Goodrich's voice is very full and sweet and her bearing the personification of grace. Society was out en masse to do honor to the distinguished artists, and many very handsome gowns were noticed.

The different costumes worn by Miss Edna Goodrich, as Grace Morton, in "The Easterner," presented at the Victoria theatre last night, were very much admired by the feminine portion of the audience and a very swagger black hat of the largest and most pronounced type, also received its share of praise. That it formed a frame for an exceptionally pretty face may of course have had something to do with it. In the first scene Miss Goodrich appeared in a smartly tailored tampe grey costume, the coat and skirt being formed of different materials. With this she wore the black hat previously referred to. In the second act she wore a tight fitting black silk princess gown, draped with rich black silk lace in Spanish fashion. In the final act a long, tight-fitting travelling coat of natural colored rajah silk with touches of black was worn with the black hat. Miss Goodrich's voice is very full and sweet and her bearing the personification of grace. Society was out en masse to do honor to the distinguished artists, and many very handsome gowns were noticed.
